

Tutorial for Joystick Monitors (section)

Tutorial Settings

If you wish to have your monitor teach you about your monitor, this is where to go.

Start Tutorial (button)

Begins a step-by-step overview to get you familiar with the monitor's user interface.

Once the Tutorial is started, you may exit anytime by pressing the BACK (<) button twice quickly at any time.

The Tutorial will walk you though adding a page, adding a tool and swiping between pages.
